Commissioner for Patents

Per our telephonic discussion held 12/13/05, this letter provides notification that the Information Disclosure Statement (IDS) filed 10/26/05, in which the Laboratoires Fournier S.A. document entitled "Fenofibrate Tablets 54-160 mg Dissolution Test Conditions Development Studies, Dissolution Test Specification Recommendations" was crossed off (due to missing date), has in fact been considered and made of record by the Examiner, although the document will not be printed on the face of the Patent Publication.

Thank you.
